This is with reference to the RHP filed with the Registrar of Companies, Maharashtra at Mumbai on January 10, 2025 in relation to the Offer. The attention of investors is drawn to the inclusion of reason for the year-wise fluctuation in the income and PAT margin in previous three financial years under the heading "Review of Restated Financials" in the section titled "Management's Discussion and Analysis of Financial Condition and Results of Operations" on page 274. The extract of the same is as follows-
Review of Restated Financials:
In the immediate aftermath, post the pandemic in financial year 2021-22, the business witnessed rapid growth. However, in the subsequent financial year 2022-23, the business growth was not as expected and given the direct correlation of revenues to our net income, there was an impact on profitability.
In the subsequent financial year 2023-24, the business picked up momentum and the Company was able to grow its net income and thereby impacting the overall PAT.
