Hyderabad, May 29 (TSIT) In a landmark initiative to strengthen the city’s response to cybercrime, Hyderabad City Police Commissioner C.V. The initiative aims to provide swift, localised, and effective solutions to the escalating threat of cybercrime. The launch of the Zonal Cyber Cells comes at a time when cybercrime is at an all-time high. Over the years, there has been a sharp increase in reported cases, demonstrating both the growing prevalence of cyber offenses and increased public awareness, he said, adding that cybercrime cases have more than doubled from 1,393 (2019) to 2,550 (2020), likely due to increased online activity during the pandemic. Cybercrime cases have surged by 786 percent in the last nine years (2015-2024), the police commissioner said, adding that the cases continue to increase year-on-year
