

EVEREST ORGANICS LIMITED

31ST
ANNUAL
REPORT

2023-24

**“ LET US GO GREEN TO MAKE THE GLOBE GREEN
PLANT TREES TO SAVE THE ENVIRONMENT ”**

LETTER FROM THE MANAGING DIRECTOR

Dear Shareholders,

As always, it gives me great pleasure to welcome you to the Annual General Meeting and present the annual report conveying the performance and also our plans for the future. It is with great pride and a profound sense of responsibility that I address you in this annual report for Everest Organics Limited. As we reflect on the past year, we are not only celebrating our achievements but also acknowledging the challenges that have shaped our journey. Our commitment to excellence in the pharmaceutical industry, specifically in the production of Active Pharmaceutical Ingredients (APIs) and Intermediates, continues to be our driving force.

A Year of Remarkable Progress

The Financial Year 2023-2024 has been a period of significant progress and transformation for our company. Despite the evolving landscape of the pharmaceutical industry, we have demonstrated resilience and adaptability. Our strategic initiatives have yielded impressive results, reflecting our unwavering dedication to innovation, quality, and operational efficiency.

One of the most notable accomplishments this year has been the successful expansion of our production capabilities. We have invested in state-of-the-art technology and upgraded our facilities to enhance our manufacturing processes. This not only positions us to meet the growing global demand for high-quality APIs and intermediates but also strengthens our competitive edge in the market.

Innovation at the Core

Innovation remains at the heart of our operations. We continue to focus on developing cutting-edge solutions that meet the evolving needs of our clients and the broader healthcare industry. Our research and development team has been working diligently on new products and process improvements, ensuring that we stay ahead of industry trends and regulatory requirements.

Our commitment to R&D is not just about staying competitive but also about contributing to the advancement of healthcare. By refining our processes and exploring new applications, we aim to provide our clients with products that are not only effective but also safe and reliable.

Sustainability and Responsibility

In addition to our focus on innovation and growth, we remain deeply committed to sustainability and corporate responsibility. We recognize the importance of minimizing our environmental footprint and have implemented several initiatives to enhance our sustainability practices. From optimizing resource use to reducing waste, we are dedicated to making a positive impact on both the environment and the communities we serve.

We are also focused on ensuring the highest standards of ethical conduct in all aspects of our business. Our commitment to integrity and transparency is reflected in our operations and our interactions with stakeholders. We believe that our success is not just measured by financial performance but also by the positive influence we have on society.

Looking Ahead

As we move forward, we are excited about the opportunities that lie ahead. The pharmaceutical industry is dynamic and ever-evolving, and we are well-positioned to navigate these changes. Our strategic priorities for the coming year include expanding our market presence, enhancing our product portfolio, and continuing to invest in technological advancements.

We will remain steadfast in our mission to deliver high-quality APIs and intermediates that support the global healthcare ecosystem. Our focus on innovation, operational excellence, and sustainability will guide us as we work towards achieving our long-term goals.

Acknowledgements

I would like to extend my heartfelt thanks to our dedicated employees, whose hard work and commitment have been instrumental in our success. Your expertise and passion are the driving forces behind our achievements.

To our shareholders, your continued support and confidence in our vision are deeply appreciated. We are committed to delivering value and maintaining the trust you have placed in us.

Finally, to our partners and clients, thank you for your collaboration and trust. We look forward to strengthening our relationships and achieving new milestones together.

In closing, I want to express my optimism and enthusiasm for the future. The path ahead is full of potential, and with our unwavering commitment and collective efforts, I am confident that Everest Organics Limited will continue to thrive and make a meaningful impact in the pharmaceutical industry.

I would conclude with my favourite quote of Rumi, the great Sufi poet

YOU ARE BORN WITH WINGS

WHY PREFER TO CRAWL THROUGH LIFE?

Let all of us work to realize our full potential and beyond to make the world a still better place to live.

With best regards,

Dr. Srikakarlapudi Sirisha

Managing Director

7. The AGM has been convened through VC / OAVM in compliance with applicable provisions of the Companies Act, 2013 read with aforesaid MCA Circulars.
8. In continuation of the aforesaid circulars and after due examination, it has been decided to allow Companies whose AGMs were due to be held in the year 2024, or become due in the year 2024, to conduct their AGMs on or before September 30, 2024, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA Circular No. 02/2021 dated January 13, 2021, Circular No. 10/2022 dated December 28, 2022 and Circular No. 09/2023 dated September 25, 2023.

THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The e-Voting period begins on Monday, September 23, 2024 at 09:00 hrs and ends on Thursday, September 26, 2024 at 17:00 hrs. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. Friday, September 20, 2024 may cast their vote electronically. The e-Voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/ HO/CFD/CFD-PoD-2/P/CIR/2023/167 dated October 7, 2023**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 listed entities are required to provide remote e-Voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders / retail shareholders is at a negligible level.

**NOTICE**

Currently, there are multiple e-Voting service providers (ESPs) providing e-Voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-Voting to **all the demat account holders, by way of a single login credential, through their demat accounts / websites of Depositories / Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-Voting process.

Step 1: Access through Depositories CDSL / NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 and Circular No. SEBI/ HO/CFD/CFD-PoD-2/P/CIR/2023/167 dated October 7, 2023** on e-Voting facility provided by Listed Companies, Individual Shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and e-mail Id in their demat accounts in order to access e-Voting facility.

Whistle Blower Policy and affirmation that none of the personnel have been denied access to the Audit Committee. The Company has in place a Whistle Blower Policy for Vigil mechanism for Directors and employees to report to the management about the unethical behavior, fraud, violation of Company's Code of Conduct.

15. AUDITORS AND AUDIT REPORT:**a) Statutory Auditors:**

Pursuant to the provisions of Section 139, 142 and other applicable provisions of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014 as amended from time to time, M/s. P.S.N. Ravishanker & Associates, Chartered Accountants, Hyderabad (Firm Registration No. 003228S) were appointed as the Statutory Auditors of the Company for a term of five consecutive years from the conclusion of the 29th Annual General Meeting held on September 24, 2022 till the conclusion of the 34th Annual General Meeting.

Pursuant to the provisions of Section 141 of the Act, the auditors have confirmed that their appointment is in compliance with the conditions prescribed by the said section and hold valid certificate issued by the Peer Review Board of the Institute of Chartered Accountants of India and are eligible to continue to hold the office for rest of their tenure.

b) Board's response on Auditors' Qualifications, Reservations or Adverse Remarks:

The qualifications made by the Statutory Auditors in the Independent Auditors' Report for the financial year ended March 31, 2024 read with explanatory notes therein are self-explanatory and therefore do not call for any further explanation or comments from the Board under Section 134 (3) of the Companies Act, 2013, other than those mentioned below:

- i. The revocation order of Telangana State Pollution Control Board (TSPCB) dated 4th February 2022 in connection with the closure order dated 22nd Dec 2020, stipulates that, the company cannot exceed its production capacity indicated in its order No. TSPCB/RCP/SRD/CFO& HWA/HO/ 2017-2714, Dt. 22-11-2017. However, the company is operating at a substantially enhanced level of actual production without necessary approvals from TSPCB in the form of Consent For Establishment (CFE) for starting the establishment, followed by the consequent Consent For Operation (CFO). Such non-compliance could impact the going concern status of the company in the form of Closure Order from TSPCB. According to the explanations given to us, the management of the Company is in the process of addressing the issue. Refer to Note No.32(viii)(a).

Directors' Comments: During the year under review, the Management is in process of receiving approvals for such enhanced capacity of production. The Company has made application for necessary approvals and upon payment of appropriate fees the approvals will be granted. Hence effect on the Company as a going concern would not arise

- ii. During the year under report, certain sales are made by the company on or before 31st March, 2024 for which control over the goods have not been passed on to the respective customers though dispatches were made on or before the aforesaid date and the same is not in accordance with Ind-AS 115 on Income Recognition. Considering the corresponding effect of the previous year 2022-23, the impact on Net Profit after tax for the year ended 31.03.2024 and reserves and surplus under Balance sheet have been overstated by

**BOARD'S REPORT**

Rs.194.73 Lakhs and the net turnover for the year ended 31.03.2024 have been overstated by Rs.609.45 Lakhs.

Directors' Comments: During the year under review, the sales made at the year end were subsequently shipped and control over goods has been transferred to the respective customers. Management is of the opinion that, as the control has been transferred and sale is completed. Accordingly, the revenue and profitability are certain of realisation and do not have any impact of revenue and profit of the Company.

- iii. In respect of Ind AS-19 Employee Benefits, there is a non-compliance as under
- (a). As stated in the notes to the financial statements of the company, the company has not revised the provision for the liability on account of gratuity payable which was made in earlier period based on the management's own assessment instead of actuarial valuation and the gratuity liability is shown at 31.03.2024 under report, the liability for payment of gratuity has been shown at Rs. 162.17 Lakhs. As per the valuation obtained from LIC the gratuity liability is coming to Rs.247.03 Lakhs as on 31.03.2024. Thus, there is an understatement of liability and expenditure to the extent of Rs.84.86 Lakhs in the financial statements.
- (b). As per LIC Fund account statement, fund balance as on 31.03.2024 is coming to Rs.191.17 Lakhs, which is shown as Rs.162.17 Lakhs in the financial statements. Thus, the Other Comprehensive Income and reserves are understated by Rs.29.99 Lakhs

Directors' Comments: During the year under review, the Company has made the adequate provision for the Gratuity Liability, However , the management will take up the Actuarial valuation soon and will review there on.

- iv. The company has made a turnover of Rs.19,724.13 Lakhs for the year ended 31st March 2024. The sundry debtors as at 31st March, 2024 stood at Rs.10,008.55 Lakhs and out of which in respect of the Sundry debtors outstanding at Rs.2869.26 Lakhs only confirmations were obtained at any time during the year.

Directors' Comments: During the year under review, the Company has priorly communicated to all the receivable parties for confirmation of balances and have received confirmations from significant number of parties and are still receiving them on a continuous basis and expect the rest of the confirmations also soon.

- v. During year 2022-23, the company has capitalised expenditure incurred on R&D to the extent of Rs. 209.65 lakhs under the head Intangible Assets-Products under Development instead of treating it as revenue expenditure and charging it in the Statement of Profit & loss Account. Out of this an amount of Rs.41.93 Lakhs has been amortised to profit and loss a/c and balance amount of Rs.167.72 Lakhs has been carried in the balance sheet under the head Intangible Assets-Products under Development. The nature of such expenditure shall be substantiated with tangible basis for certainty of corresponding future revenues against the expenditure being continued in the balance sheet at Rs.167.72 Lakhs. The expenditure shall also be identified and ascertained against each product under development. As the same was not furnished to us, we are of the opinion that the treatment of such expenditure as capital in nature is not in accordance with IND-AS 1 on Presentation of Financial Statements.

**BOARD'S REPORT**

Based on the above the financial statements of the Company are not in compliance with the requirements of Ind AS 36, 'Impairment of Assets,' and Ind AS 38, 'Intangible Assets.'

Directors' Comments: During the year under review, the Company has been incurring expenditure on development of various new products which take a time period of 3 to 5 years gestation for realising commercial benefits there from. The future economic returns of this product development activity at large are expected to outweigh the expenditure for such development. To match the future revenues with corresponding development cost the present expenditure for the product development is capitalised under the category of "Intangible Asset".

- vi. The company has adopted cash basis of accounting, as regards Sales commission payable to the sales agents. Hence the impact on the profit for the year and the consequential impact on the Reserves and Surplus of the Company as on the balance sheet date are not ascertainable.

Directors' Comments: During the year under review, the liability for sales commission arises only after realisation of amount from sales made and on receipt of the bill from the agent. Sales made through agents are very less. In the view of the management there are no bills which are pending for accounting the liability thereon.

- vii. During the Financial Year 2023-24 there were delays in making payments to the small and micro enterprises. The company is liable to pay interest for the delays in making Payments to these small and Micro enterprises to the tune of Rs.42 Lakhs. Also, this amount of interest payable is not provided in the financial statements.

Directors' Comments: During the year under review, the company has made the full payment of principal portion of the dues to suppliers under the category of small and micro enterprises enterprise suppliers. The interest obligation met, keeping in view the relaxations that may get extended in this regard from the Government of India.

c) Report:

Pursuant to the provisions of Section 143(12) of the Companies Act, 2013 as amended from time to time, the Statutory Auditors have not reported any incident of fraud to the Audit Committee during the year under review.

d) Internal Auditors:

**SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2024**

*[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]*

To,

The Members,

EVEREST ORGANICS LIMITED

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **EVEREST ORGANICS LIMITED** having CIN: **L24230TG1993PLC015426**, having registered office at Aroor Village, Sadasivapet Mandal, Medak, Telangana - 502 291 and having corporate office at 1st Floor, Lakeview Plaza, Plot No.127 & 128, Amar Co-operative Society, Opp. Madhapur Police Station Road, Near Durgam Cheruvu, Madhapur, Hyderabad - 500 033 (hereinafter called the "Company"). Secretarial Audit was conducted in accordance with the guidance note issued by the Institute of Company Secretaries of India and in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information, confirmations, clarifications provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2024, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2024 according to the provisions of:

**MANAGEMENT DISCUSSION & ANALYSIS REPORT****MANAGEMENT DISCUSSION & ANALYSIS REPORT**

The information is required in compliance of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and forming a part of the Boards' Report for the year ended March 31, 2024 and has to be read in Conjunction with the Company's financial statements, which follows this Section. The management of the Company is presenting herein the overview, opportunities and threats, initiatives by the Company and overall strategy of the Company and its outlook for the future. This outlook is based on management's own assessment and it may vary due to future economic and other future developments in the country.

INDIAN ECONOMIC OVERVIEW

As one of the fastest-growing major economies in the world, India has recorded a GDP growth of 7.6% in FY 2023-24, owing to a strong rebound in economic activity. Rising disposable income levels have led to a notable enhancement in private consumption and spending, effectively insulating the economy from global fluctuations.

This trend is evident in the consecutive monthly growth of GST collections, accompanied by sustained optimism in business sentiment. The government is also introducing positive changes in domains including banking, taxation management and digital and physical infrastructure, to make the business environment more conducive and attract investors.

While traditionally economic growth in India has been concentrated in certain areas, but things are changing and India's economic growth is becoming more geographically spread out. While key metropolitan centers continue to hold strategic importance, a new wave of economic hubs is rising to prominence. This diversification fosters a ripple effect, disseminating development opportunities to a wider range of regions. Recognizing the potential for inclusive growth, the government has implemented a strategic focus on tier 2 and 3 cities. By prioritizing infrastructure development and industrial initiatives in these smaller centers the government is fostering job creation and attracting businesses. This targeted investment serves as a potent catalyst, propelling the economic trajectory of these localities. Furthermore, enhanced connectivity is playing an important role in this economic transformation. Strategic investments in highways, railways, and airports are streamlining the movement of goods and people across the nation. This improved logistical network not only benefits urban centers but also serves to revitalize rural areas, ensuring a more inclusive distribution of economic benefits.

Going forward, India's growth is expected to remain strong, supported by improving macroeconomic factors and country's robust internal financial stability. India's economy is set to grow more than 7% in FY 2024-25. Currently among the top five economies globally, in the next three years, the country is expected to become the third-largest economy in the world, with a GDP of \$5 trillion. Moreover, according to projections by the International Monetary Fund (IMF), India's contribution to global growth will be around 18% by FY 2027-28; backed largely by robust domestic demand.

INDUSTRY STRUCTURE & DEVELOPMENTS:

The Indian pharmaceutical industry is the 3rd largest pharmaceutical industry in the world by volume. Domestic formulations form 50% of the Indian Pharmaceutical Industry.

India is the largest provider of generic drugs globally and is known for its affordable vaccines and generic medications. The Indian Pharmaceutical industry is currently ranked third in pharmaceutical production by volume after evolving over time into a thriving industry growing at a CAGR of 9.43% since the past nine years. Generic drugs, over-the-counter medications, bulk drugs, vaccines, contract research & manufacturing, biosimilars, and biologics are some of the major segments of the Indian pharma industry.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

India has the greatest number of pharmaceutical manufacturing facilities that are in compliance with the US Food and Drug Administration (USFDA) and has 500 API producers that make for around 8% of the worldwide API market.

Indian pharmaceutical sector supplies over 50% of global demand for various vaccines, 40% of generic demand in the US and 25% of all medicine in the UK. The domestic pharmaceutical industry includes a network of 3,000 drug companies and ~10,500 manufacturing units. India enjoys an important position in the global pharmaceuticals sector. The country also has a large pool of scientists and engineers with a potential to steer the industry ahead to greater heights. Presently, over 80% of the antiretroviral drugs used globally to combat AIDS (Acquired Immune Deficiency Syndrome) are supplied by Indian pharmaceutical firms. India is rightfully known as the "pharmacy of the world" due to the low cost and high quality of its medicines.

Indian pharmaceutical industry is known for its generic medicines and low-cost vaccines globally. Transformed over the years as a vibrant sector, presently Indian Pharma ranks third in pharmaceutical production by volume. The Pharmaceutical industry in India is the third largest in the world in terms of volume and 14th largest in terms of value. The Pharma sector currently contributes to around 1.72% of the country's GDP.

As one of the fastest-growing major economies in the world, India has recorded a GDP growth of 7.6% in FY 2023-24, owing to a strong rebound in economic activity. Rising disposable income levels have led to a notable enhancement in private consumption and spending, effectively insulating the economy from global fluctuations

According to a recent EY FICCI report, as there has been a growing consensus over providing new innovative therapies to patients, Indian pharmaceutical market is estimated to touch US\$ 130 billion in value by the end of 2030. Meanwhile, the global market size of pharmaceutical products is estimated to cross over the US\$ 1 trillion mark in 2024.

The Company was operating in the Chemical industries, mainly engaged in the manufacturing of Active Pharmaceutical Ingredients and Intermediaries. FY 2023-24 was a sustainable year in all aspects. The Directors from time to time has always considered the proposal for diversification into the areas which would be profitable for the Company. Going ahead your directors are expecting better industrial development in the coming years.

MARKETING & MARKET SIZE:

Market size of India pharmaceuticals industry is expected to reach US\$ 65 billion by 2024, and ~US\$ 130 billion by 2030. According to the government data, the Indian pharmaceutical industry is worth approximately US\$ 50 billion with over US\$ 25 billion of the value coming from exports. About 20% of the global exports in generic drugs are met by India. India is among the top 12 destinations for biotechnology worldwide and 3rd largest destination for biotechnology in Asia Pacific. In 2022, India's Biotechnology industry has crossed US\$ 80.12 billion, growing 14% from the previous year.

The Indian pharmaceutical industry has seen a massive expansion over the last few years and is expected to reach about 13% of the size of the global pharma market while enhancing its quality, affordability, and innovation.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

The Indian pharmaceutical industry has seen a massive expansion over the last few years and is expected to reach about 13% of the size of the global pharma market while enhancing its quality, affordability, and innovation.

The biosimilars market in India is estimated to grow at a compounded annual growth rate (CAGR) of 22% to become US\$ 12 billion by 2025. This would represent almost 20% of the total pharmaceutical market in India.

The current market size of the medical devices sector in India is estimated to be US\$ 11 billion and its share in the global medical device market is estimated to be 1.5%.

Indian pharma companies have a substantial share in the prescription market in the US and EU. The largest number of FDA-approved plants outside the US is in India.

According to the Indian Economic Survey 2021, the domestic market is expected to grow 3x in the next decade. India's domestic pharmaceutical market stood at US\$ 42 billion in 2021 and is likely to reach US\$ 65 billion by 2024 and further expand to reach US\$ 120-130 billion by 2030. India's biotechnology industry comprises biopharmaceuticals, bio-services, bio-agriculture, bio-industry, and bioinformatics. The Indian biotechnology industry was valued at US\$ 70.2 billion in 2020 and is expected to reach US\$ 150 billion by 2025. India's medical devices market stood at US\$ 10.36 billion in FY20. The market is expected to increase at a CAGR of 37% from 2020 to 2025 to reach US\$ 50 billion. As of August 2021, CARE Ratings expect India's pharmaceutical business to develop at an annual rate of ~11% over the next two years to reach more than US\$ 60 billion in value.

In the global pharmaceuticals sector, India is a significant and rising player. India is the world's largest supplier of generic medications, accounting for 20% of the worldwide supply by volume and supplying about 60% of the global vaccination demand. The Indian pharmaceutical sector is worth US\$ 42 billion worldwide. In August 2021, the Indian pharmaceutical market increased at 17.7% annually, up from 13.7% in July 2020. According to India Ratings & Research, the Indian pharmaceutical market revenue is expected to be over 12% Y-o-Y in FY22.

OUTLOOK: Global API Sector

The global Active Pharmaceutical Ingredient (API) market size reached US\$ 222.9 Billion in 2022. Looking forward, the publisher expects the market to reach US\$ 303.9 Billion by 2028, exhibiting a growth rate (CAGR) of 5.6% during 2023-2028.

Active Pharmaceutical Ingredient (API), is the term that is used to refer to the biologically active component of a drug (e.g., tablet, capsule). A drug is usually composed of several components. The API represents the primary ingredient. Other ingredients are commonly known as "excipients". Sometimes a drug can contain several APIs and its effect on a patient depends on the dosage prescribed and can vary from person to person. In combination therapies, two or more than two active ingredients are used to treat different symptoms in different ways. Stringent quality control is a mandate when it comes to the manufacturing of drugs as the API represents the main component considered while making the prescription.

Pharmaceutical manufacturing occurs in two general steps. In the first step, manufacturers convert raw materials into APIs. The second step involves creating the final formulation by mixing APIs and excipients into tablets, capsules, solutions, etc. and finally packaging the drug for the end users. Manufacturers either sell APIs in the open market (also known as the merchant market) or use them as inputs to make their final formulations. The global API market is extremely competitive with a number of large and small manufacturers. Firms that engage in API manufacturing generally specialize and target their

MANAGEMENT DISCUSSION & ANALYSIS REPORT

manufacturing based on a combination of the firms' in-house skills and market opportunities. Catalyzed by lower costs, API manufacturing has gradually been shifting from the historical leaders in Western countries to manufacturers based in India and China.

The global demand of APIs is currently exhibiting strong growth. One of the major drivers of this market is the rising number of blockbuster patent expiries creating a significant opportunity for generic APIs. Moreover, there has been a strong demand for APIs for biologicals. The global market for biologicals is currently exhibiting strong growth catalyzed by their high potency and ability to treat diseases beyond the scope of small molecule drugs. This is creating a strong demand for APIs for branded biological drugs and their biosimilar versions. Other factors catalyzing the global demand of APIs include ageing population, rising expenditures on healthcare, increasing prevalence of lifestyle diseases, etc.

INVESTMENTS & RECENT DEVELOPMENTS:

The Indian Pharmaceuticals industry plays a prominent role in the global pharmaceuticals industry. India ranks third worldwide for production by volume and 14th by value.

In this regard the sector has seen a lot of investments and developments in the recent past.

- ❖ Up to 100%, FDI has been allowed through automatic route for Greenfield pharmaceuticals projects. For Brownfield pharmaceuticals projects, FDI allowed is up to 74% through automatic route and beyond that through government approval.

(IIL) and Bharat Immunologicals and Biologicals Corporation (BIBCOL) inked technology transfer pacts with Bharat Biotech to develop the vaccine locally to boost India's vaccination drive. The two PSUs plan to start production of vaccines by September 2021.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

GOVERNMENT INITIATIVES:

Some of the initiatives taken by the Government to promote the pharmaceutical sector in India are as follows:

- ❖ As per the Union Budget 2023-24:
 - A mission to eliminate sickle cell anemia by 2047 will be launched. It would involve raising awareness, conducting a comprehensive screening of seven crore individuals in the impacted tribal regions between the ages of 0 and 40, and providing counselling through coordinated efforts.
 - For innovation in the pharmaceutical sector, through centres of excellence, a new initiative to encourage pharmaceutical research and innovation will be implemented. The government persuades business to spend money on R&D in a few chosen priority fields. At the grassroots level, government has also announced on building 157 nursing colleges in co-location with government medical colleges.
- ❖ Ayushman Bharat Digital Mission (ABDM):
 - Under the ABDM, citizens will be able to create their ABHA (Ayushman Bharat Health Account) numbers, to which their digital health records can be linked. This will enable creation of longitudinal health records for individuals across various healthcare providers and improve clinical decision making by healthcare providers.
 - The pilot of ABDM is completed in the six Union Territories of Ladakh, Chandigarh, Dadra & Nagar Haveli and Daman & Diu, Puducherry, Andaman and Nicobar Islands and Lakshadweep with successful demonstration of technology platform developed by the NHA.
 - During the pilot, digital sandbox was created in which more than 774 partner solutions are undergoing integration. As on February 21, 2022, 173,369,087 Ayushman Bharat Health Accounts have been created and 10,114 doctors and 17,319 health facilities have been registered in ABDM.
- ❖ Scheme for Development of Pharma industry – Umbrella Scheme:
 - The Department of Pharmaceuticals has prepared an Umbrella Scheme namely 'Scheme for Development of Pharma industry'. Which comprises of the following sub schemes:
 - Assistance to Bulk Drug Industry for Common Facilitation Centres;
 - Assistance to Medical Device Industry for Common Facilitation Centres;
 - Assistance to Pharmaceutical Industry (CDP-PS);
 - Pharmaceutical Promotion and Development Scheme (PPDS);
 - Pharmaceutical Technology Upgradation Assistance Scheme (PTUAS).
- ❖ As per the Union Budget 2022-23:
 - Rs. 3,201 crore (US\$ 419.2 million) has been set aside for research and Rs. 83,000 crore (US\$ 10.86 billion) has been allocated for the Ministry of Health and Family Welfare.
 - Rs. 37,000 crore (US\$ 4.83 billion) has been allocated to the 'National Health Mission'.
 - Rs. 10,000 crore (US\$ 1.28 billion) has been allocated to Pradhan Mantri Swasthya Suraksha Yojana.

**MANAGEMENT DISCUSSION & ANALYSIS REPORT**

- The Ministry of AYUSH has been allocated Rs. 3,050 crore (US\$ 399.4 million), up from Rs. 2,970 crore (US\$ 389 million).
- ❖ In March 2022, under the Strengthening of Pharmaceutical Industry (SPI) Scheme, a total financial outlay of Rs. 500 crore (US\$ 665.5 million) for the period FY22 to FY26 were announced.
 - India could restart deliveries of COVID-19 shots to global vaccine-sharing platform COVAX in November-December 2021 for the first time since April 2021. The World Health Organization (WHO), which co-leads COVAX, has been pushing India to resume supplies for the programme, particularly after it sent ~4 million doses to neighbours and allies in October 2021.
 - In November 2021, PM Mr. Narendra Modi inaugurated the first Global Innovation Summit of the pharmaceuticals sector. The summit will have 12 sessions and over 40 national and international speakers deliberating on a range of subjects including regulatory environment, funding for innovation, industry-academia collaboration and innovation infrastructure.
 - In August 2021, Union Health Minister, Mr. Mansukh Mandaviya announced that an additional number of pharmaceutical companies in India are expected to commence manufacturing of anti-coronavirus vaccines by October-November 2021. This move is expected to further boost the vaccination drive across the country.
 - In June 2021, Finance Minister Ms. Nirmala Sitharaman announced an additional outlay of Rs. 197,000 crore (US\$ 26,578.3 million) that will be utilised over five years for the pharmaceutical PLI scheme in 13 key sectors such as active pharmaceutical ingredients, drug intermediaries and key starting materials.
 - To achieve self-reliance and minimise import dependency in the country's essential bulk drugs, the Department of Pharmaceuticals initiated a PLI scheme to promote domestic manufacturing by setting up greenfield plants with minimum domestic value addition in four separate 'Target Segments' with a cumulative outlay of Rs. 6,940 crore (US\$ 951.27 million) from FY21 to FY30.
 - In May 2021, under Atmanirbhar Bharat 3.0, Mission COVID Suraksha was announced by the Government of India to accelerate development and production of indigenous COVID vaccines. To augment the capacity of indigenous production of Covaxin under the mission, the Department of Biotechnology, Government of India, provided financial support in the form of a grant to vaccine manufacturing facilities for enhanced production capacities, which is expected to reach >10 crore doses per month by September 2021.

The pharmaceutical industry in India is a significant part of the nation's foreign trade and offers lucrative potential for investors. Millions of people around the world receive affordable and inexpensive generic medications from India, which also runs a sizable number of plants that adhere to Good Manufacturing Practices (GMP) standards set by the World Health Organization (WHO) and the United States Food and Drug Administration (USFDA). Among nations that produce pharmaceuticals, India has long held the top spot. Medicine spending in India is projected to grow 9-12% over the next five years, leading India to become one of the top 10 countries in terms of medicine spending. Going forward, better growth in domestic sales would also depend on the ability of companies to align their product portfolio towards chronic therapies for diseases such as cardiovascular, anti-diabetes, anti-depressants and anti-cancers, which are on the rise.

The Indian Government has taken many steps to reduce costs and bring down healthcare expenses. The National Health Protection Scheme, which aims to offer universal healthcare, the ageing population, the rise in chronic diseases, and other government programmes, including the opening of pharmacies that

MANAGEMENT DISCUSSION & ANALYSIS REPORT

offer inexpensive generic medications, should all contribute to boost the Indian pharmaceutical industry. Speedy introduction of generic drugs into the market has remained in focus and is expected to benefit the Indian pharmaceutical companies. In addition, the thrust on rural health programmes, lifesaving drugs and preventive vaccines also augurs well for the pharmaceutical companies.

OPPORTUNITIES & THREATS:

The SWOT analysis of the industry reveals the position of the Indian pharmaceutical industry in respect to its internal and external environment.

a) Strengths

- Well-developed chemistry, R&D and manufacturing infrastructure with proven track record in advance chemistry capabilities, design of high-tech manufacturing facilities and regulatory compliance.
- Strong technical, finance and administrative expertise in pharma industries along with strong marketing and distribution network.
- Higher GDP growth leading to increased disposable income in the hands of general public and their positive attitude towards spending on healthcare.
- Low-cost, highly skilled set of English speaking labour force and proven track record in design of high technology manufacturing devices.
- Healthy domestic market with rising per capita expenditure. Low cost of innovation, manufacturing and operations.
- Strong focus by the Government. Adherence to global standards, high quality documentation and process understanding.
- Adequate health insurance coverage.

b) Weaknesses

- Stringent pricing regulations affecting the profitability of pharma companies.
- Lack of ability to compete with MNCs for New Drug Discovery, Research and commercialization of molecules on a worldwide basis due to lack of resources.
- Poor all-round infrastructure is a major challenge.
- Low investments in innovative R & D.
- Presence of more unorganised players versus the organized ones, resulting in an increasingly competitive environment, characterised by stiff price competition.

c) Opportunities

- Global demand for generics rising. High scope in Research & Development sector.
- Rapid OTC and generic market growth. Significant export opportunities.
- Increased penetration in the non - metro markets.
- Large demand for quality diagnostic services.
- Significant investment from MNCs.
- Public-Private Partnerships for strengthening Infrastructure.

**MANAGEMENT DISCUSSION & ANALYSIS REPORT**

- Opening of the health insurance sector and increase in per capita income - the growth drivers for the pharmaceutical industry.
- India, a potentially preferred global outsourcing hub for pharmaceutical products due to low cost of skilled labour.

d) Threats

- Global Competition. Narrow margin of Profits.
- Increasing Stringency on Quality.
- Increasing CGMP regulatory requirement compliances leads to more and more investments.
- Wage inflation.
- Government expanding the umbrella of the Drugs Price Control Order (DPCO).
- Other low-cost countries such as China and Israel affecting outsourcing demand for Indian pharmaceutical products
- Entry of foreign players (well equipped technology-based products) into the Indian market.

The Company is seriously contemplating for both forward and backward integration. The Company is pursuing actively assets which will add immediate value to the Company for the purpose of forward integration in palletisation in the near future along with backward integration into intermediates through partnership or as new projects.

INTERNAL CONTROL SYSTEM & THEIR ADEQUACY:

The Company has an adequate system of internal controls comprising authorization levels, supervision, checks and balance and procedures through documented policy guidelines and manuals, which provide that all transaction are authorized, recorded and reported correctly and compliance with policies and statutes are ensured. The operational managers exercise their control over business processes through operational systems, procedural manual and financial limits of authority manual, which are reviewed and updated on an ongoing basis to improve the systems and efficiency of operations. The Company place prime importance on an effective internal audit system. The Internal Control System is supplemented by internal audit, regular review by the management and well documented policies. The Company has an independent Internal Audit System to monitor the entire operations and services. The top management and Audit Committee of the Board review the findings of the Internal Auditor and takes remedial actions accordingly.

RISKS & CONCERN:

The pharmaceutical industry faces challenges in protecting intellectual property and brand reputation while meeting strict compliance needs. Environmental sector is another major concern as drugs are of high value and sensitive to environmental interaction. There is a need to make sure that pharmaceutical products are handled safely. Active Pharmaceutical Ingredients (APIs) can enter the natural environment during manufacture, use and / or disposal, and consequently public concern about their potential adverse impacts in the environment is growing. Owing to post-covid surplus stocking of API by the formulators and variable Raw material costs Company has and continues to experience decrease in sale volumes of API's. However, even shortage of Raw materials is also perceived to be a futuristic impact on the sale of API's as well.

**MANAGEMENT DISCUSSION & ANALYSIS REPORT****SEGMENT-WISE PERFORMANCE:**

Everest Organics Limited is engaged in the business of manufacturing of Active Pharmaceutical Ingredients & Intermediaries for around three decades. Currently the Company is working on capacity utilization of 80-90% for the existing product. The capex done for the FY 2023-24 was about Rs. 3.23 crores.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

**AUDITORS' REPORT****INDEPENDENT AUDITORS' REPORT****TO THE MEMBERS OF EVEREST ORGANICS LIMITED****Report on the Audit of the Standalone Financial Statements**

We have audited the accompanying financial statements of Everest Organics Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and Notes to Financial Statements including a summary of the significant accounting policies and other explanatory information.

QUALIFIED OPINION

In our opinion and to the best of our information and according to the explanations given to us except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph the aforesaid financial statements give the information required by the Act as amended in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Ind-AS specified under Section 133 of the Act of the state of affairs (financial position) of the Company as at March 31, 2024 and its profit (financial performance including other comprehensive income) its cash flows and the changes in equity for the year ended on that date.

BASIS FOR QUALIFIED OPINION:

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

- i. The revocation order of Telangana State Pollution Control Board (TSPCB) dated 4th February 2022 in connection with the closure order dated 22nd Dec 2020, stipulates that, the company cannot exceed its production capacity indicated in its order No. TSPCB/RCP/SRD/CFO& HWA/HO/ 2017-2714, Dt. 22-11-2017. However, the company is operating at a substantially enhanced level of actual production without necessary approvals from TSPCB in the form of Consent For Establishment (CFE) for starting the establishment, followed by the consequent Consent For Operation (CFO). Such non-compliance could impact the going concern status of the company in the form of Closure Order from TSPCB. According to the explanations given to us, the management of the Company is in the process of addressing the issue. Refer to Note No.32(viii)(a).
- ii. During the year under report, certain sales are made by the company on or before 31st March, 2024 for which control over the goods have not been passed on to the respective customers though dispatches were made on or before the aforesaid date and the same is not in accordance with Ind-AS 115 on Income Recognition. Considering the corresponding effect of the previous year 2022-23, the impact on Net Profit after tax for the year ended 31.03.2024 and reserves and surplus under Balance sheet have been overstated by Rs.194.73 Lakhs and the net turnover for the year ended

**AUDITORS' REPORT**

31.03.2024 have been overstated by Rs.609.45 Lakhs.

- iii. In respect of Ind AS-19 Employee Benefits, there is a non-compliance as under
- (a). As stated in the notes to the financial statements of the company, the company has not revised the provision for the liability on account of gratuity payable which was made in earlier period based on the management's own assessment instead of actuarial valuation and the gratuity liability is shown at 31.03.2024 under report, the liability for payment of gratuity has been shown at Rs. 162.17 Lakhs. As per the valuation obtained from LIC the gratuity liability is coming to Rs.247.03 Lakhs as on 31.03.2024. Thus, there is an understatement of liability and expenditure to the extent of Rs.84.86 Lakhs in the financial statements.
- (b). As per LIC Fund account statement, fund balance as on 31.03.2024 is coming to Rs.191.17 Lakhs, which is shown as Rs.162.17 Lakhs in the financial statements. Thus, the Other Comprehensive Income and reserves are understated by Rs.29.99 Lakhs.

(Refer Note No.32(xii)(a)(ii).

- iv. The company has made a turnover of Rs.19,724.13 Lakhs for the year ended 31st March 2024. The sundry debtors as at 31st March, 2024 stood at Rs.10,008.55 Lakhs and out of which in respect of the Sundry debtors outstanding at Rs.2,869.26 Lakhs only confirmations were obtained at any time during the year.
- v. During year 2022-23, the company has capitalised expenditure incurred on R&D to the extent of Rs. 209.65 lakhs under the head Intangible Assets-Products under Development instead of treating it as revenue expenditure and charging it in the Statement of Profit & loss Account. Out of this an amount of Rs.41.93 Lakhs has been amortised to profit and loss a/c and balance amount of Rs.167.72 Lakhs has been carried in the balance sheet under the head Intangible Assets-Products under Development. The nature of such expenditure shall be substantiated with tangible basis for certainty of corresponding future revenues against the expenditure being continued in the balance sheet at Rs.167.72 Lakhs. The expenditure shall also be identified and ascertained against each product under development. As the same was not furnished to us, we are of the opinion that the treatment of such expenditure as capital in nature is not in accordance with IND-AS 1 on Presentation of Financial Statements.

Based on the above the financial statements of the Company are not in compliance with the requirements of Ind AS 36, 'Impairment of Assets,' and Ind AS 38, 'Intangible Assets.

- vi. The company has adopted cash basis of accounting, as regards Sales commission payable to the sales agents. Hence the impact on the profit for the year and the consequential impact on the Reserves and Surplus of the Company as on the balance sheet date are not ascertainable.
- vii. During the Financial Year 2023-24 there were delays in making payments to the small and micro enterprises. The company is liable to pay interest for the delays in making Payments to these small and Micro enterprises to the tune of Rs.42 Lakhs. Also, this amount of interest payable is not provided in the financial statements.

Our Opinion is modified in respect of the above said matters.

KEY AUDIT MATTERS:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements, and in forming our opinion thereon, and we do not provide a

**AUDITORS' REPORT**

separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

We draw attention to following matters of the Company.

A) Revenue recognition:

Revenue is recognized when the control over the underlying products has been transferred to the customer. Due to the Company's sales under various contractual terms and across the country, delivery to customers in different regions might take different time periods and may result in undelivered goods at the period end. We consider a risk of misstatement of the Financial Statements related to transactions occurring close to the year end, as these transactions could be recorded in the incorrect financial period (cut-off). Our tests of detail focused on sample of cut-off transactions, to verify that only revenue pertaining to current year is recognized based on terms and conditions set out in sales contracts and delivery documents and performing testing on selected statistical samples of revenue transactions recorded during the year.

B) IT Systems and Controls:

We have identified IT Systems and controls over financial reporting as a key audit matter for the company because its financial and reporting system should be integrated and must be fundamentally reliant on IT systems and controls to process the voluminous data specifically with respect to revenue, debtors, inventory management and raw material consumption. Automated accounting procedures and IT environment controls are required to be modified and implemented to operate effectively to ensure accurate financial reporting to comply with all the reporting requirements under various statutes. We have assessed the management's position through discussion with the in-house experts and the Management has informed that they are making efforts to integrate all activities in this regard.

Accordingly, the same is considered as a key Audit matter.

C) Capital Work-in-Progress:

The Company is in the process of executing major project for expansion of its Manufacturing facility. This project takes a substantial period to get ready for intended use. We considered Capital expenditure as a key audit matter due to: (a) Significance of amount incurred on such items during the year ended 31st March, 2024. (b) Judgement involved in determining the eligibility of costs including borrowing cost and other directly attributable costs for capitalization as per the criteria set out in Ind AS 16-Property, Plant and Equipment.

We have obtained an understanding of the Company's capitalization policy and assessed for compliance with the relevant accounting standards. We have performed substantive testing on a sample basis for each element of capitalized costs including inventory issued to contractors for the purpose of this project and understanding nature of the costs capitalized.

Management maintains that, during the period, the interest cost of funds borrowed for the purpose amounting to Rs.113.20 Lakhs has been capitalised. (Refer Note No.32(xix)).

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the company's annual report but does not include the financial statements and our auditors' report thereon. The Company's annual report is expected to be made available to us after the date of this auditor's report.

AUDITORS' REPORT

Our opinion on the financial statements does not cover the other information and we do not express any assurance and conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

MANAGEMENT'S AND BOARD OF DIRECTORS' RESPONSIBILITY FOR THE FINANCIAL STATEMENTS:

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITORS' RESPONSIBILITY:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these financial statements.

As part of an audit in accordance with standards on auditing we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are

AUDITORS' REPORT

appropriate in the circumstances. Under section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors.
- Conclude on the appropriateness of management and Board of Directors use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS:

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Profit and Loss Statement, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Indian Accounting

**AUDITORS' REPORT**

Standards) Rules, 2015 except with regard to the compliance requirements under, "IND AS-19-Employee Benefits", IND AS-36 Impairment of Assets, IND AS-38 Intangible Assets, Ind As-115 Revenue Recognition as stated in Basis for qualified opinion Para.

- e) On the basis of the written representations received from the directors as on March 31, 2024, taken on record by the Board of Directors none of the directors are disqualified as on March 31, 2024, from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure-B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at 31st March, 2024 on its financial position in its financial Statements. Refer Note No: 32(viii) of the Financial Statements.
 - ii. The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv.
 - A) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - B) The management has represented, that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - C) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
- v. The company has not declared dividend during the year F.Y. 2023-24.
- vi. The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from 1 April 2023. Based on our examination which included test checks, the Company have

**AUDITORS' REPORT**

used accounting software for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective software. Further during the course of our audit, we did not come across any instance of audit trail feature being tampered with.

The statutory requirement regarding retention of Audit Trail is not applicable since it is the first year of implementation of Audit Trail.

3. Further, with respect to the matter to be included in the Auditors' Report under section 197(16):

In our opinion and according to the information and explanations given to us, the remuneration paid by the company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under section 197 of the Act.

**AUDITORS' REPORT****ANNEXURE - A TO THE INDEPENDENT AUDITORS' REPORT DT. 27-05-2024 ISSUED TO THE MEMBERS OF EVEREST ORGANICS LIMITED**

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

(i) (a)

- (A) The Company has maintained records showing only broad particulars including quantitative details and situation of Property, Plant and Equipment, on the basis of available information. However, as per the information and explanations furnished by the management and based on our examination of records, the system of tagging of fixed assets and computerization of records is to be implemented to be commensurate with the size of the company & level of operations.
- (B) The Company has shown intangible assets in the financial statements showing a net Book Value of Rs.167.72 Lakhs after providing for write off for the financial year 2023-24. However, the records showing full particulars of these assets are to be maintained.
- (b) As per the information and explanations furnished to us by the management, the Property, Plant and Equipment have been physically verified in a broad manner by the management according to a phased programme designed to cover all the items over a period of 2 years, which in our opinion is reasonable but can be improved, having regard to the size of the Company and nature of its assets. We are informed that, no material discrepancies were noticed on such verification, pending adjustment.
- (c) The title deeds of all the immovable properties are pledged with HDFC Bank. As per the information and explanations given to us, the title deeds of all such immovable properties are held in the name of the Company.
- (d) The Company has not revalued its assets during the FY 2023-24. Hence the question of change in value by more than 10% does not arise.
- (e) Based on the information and explanations furnished to us, no proceedings have been initiated on (or) are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its financial statements does not arise.

(ii)

- (a) The physical verification of inventories has been conducted during the year by the management, in respect of majority of the high value items at reasonable intervals. In our opinion, the procedure, coverage and frequency of such verification is reasonable, but the system of verification should be further improved to be commensurate with the size of company & level of operations.

The discrepancies noticed on physical verification of inventory as compared to book records were less than 10% in aggregate for each class of inventory.

- (b) During the year, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from HDFC Bank on the basis of security of current assets. The Company has filed monthly /Quarterly statements of current assets with the bank, which are generally in agreement with the unaudited books of accounts being maintained by the company. However,

**AUDITORS' REPORT**

the differences were generally on account of:

- i. Non-inclusion of inventory of stores and spares (except material consumables) in quarterly statements while the same is included in books of accounts.
- ii. Non-inclusion of provision for expected credit loss or doubtful debts in monthly/quarterly statements while the same is included in books of accounts.
- iii. Non-inclusion of unrealised foreign exchange (gain)/loss on trade receivables and trade payables in quarterly statements while the same is included in books of accounts.
- iv. Sundry creditors stated under the stock statements were not reconciled with the Book Balances.

- (iii) As per the information and explanations furnished to us by the management and as per the books of account and other documents examined by us, during the year, the company has not, made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, our reporting on all other subclauses in this clause is not required.

Further the company has made investments in Equity Shares amounting to Rs. 8.15 lakhs and Rs. 0.30 lakhs in Patancheru Enviro Tech Limited and State Bank of India respectively. These investments made by the company earlier and continuing in the current year, prima facie, appear to be in compliance with Provisions of Section 186 of the Companies Act, 2013.

- (iv) As per the information and explanations furnished to us by the management and as per the books of accounts and other documents examined by us, the company has not given any loans, made investments in, or provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, Firms, Limited Partnerships or any other parties to which provisions of Sections 185 and 186 of the Companies Act, 2013 are applicable. Hence Clause 3(iv) of CARO, 2020 is not applicable to the Company.
- (v) According to the information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits to which the directives issued by the Reserve Bank of India and the provisions of Section 73 to 76 or the other relevant provisions of the Companies Act, and the rules framed there under, wherever applicable, from the public.

According to the information and explanations furnished to us by the management, there have been no proceedings before the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal in this matter and no order has been passed by any of the aforesaid authorities.

- (vi) As per the information and explanations furnished to us, prima facie, it appears that the company broadly meets the requirement prescribed by the Central Government under section 148(1) of the Companies Act, 2013 read with Companies (Cost Records and Audit) Rules, 2014. However, we have not been provided cost records maintained by the Company.

(vii)

- (a) As per the information and explanations furnished to us by the management and according to the records examined by us of the Company, undisputed statutory dues including Goods and Services Tax, Provident Fund, Employees' State Insurance, Income Tax, sales tax, Service Tax, duty of Customs, Duty of Excise, Value Added Tax, Cess and other statutory dues have been generally deposited on time with the appropriate authorities, with occasional delays. According to the information and explanations given to us, there are undisputed amounts due and payable in respect of the aforesaid dues were outstanding as at 31-03-2024 for a period of more than six months from the date they became payable, except the following :

**AUDITORS' REPORT**

(b)

Name of the Statute	Nature of the dues	Amount (Rs.)	Paid to which the amount related	Date of payment
Income Tax Act	Tax Deducted at Source on Salaries	1,94,331	Upto August, 2023	Not paid by 31.03.2024

(c) As per the information and explanations furnished to us by the management, there are no disputes with the appropriate authorities relating to Statutory dues.

(viii) According to the information and explanations given by the management and based on the procedures carried out during the course of our audit, we have not come across any transactions not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

(ix)

- (a) According to the records of the Company examined by us and the information and explanation given to us, the Company has repaid loans or other borrowings or in the payment of interest to the lenders during the year with 1 to 3 days of delay on few occasions and there is no continuing default in repayment of loans or other borrowings with any lender.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.
- (c) During the year, the company has obtained unsecured term loans from FedBank Financial Services Ltd, HDFC Bank, Sundaram Finance Ltd amounting to Rs. 30.30 lakhs, Rs.500 lakhs, Rs.49.99 Lakhs respectively. According to the information and explanations given to us, the term loans mentioned above, have been applied for the purposes for which they were obtained.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short term basis have been used for long-term purposes by the Company.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations other entity coming under the category of subsidiaries, associates or joint ventures.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries company.

(x)

- (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

(xi)

- (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the

**AUDITORS' REPORT**

information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.

- (b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

**AUDITORS' REPORT****ANNEXURE-B TO THE INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF EVEREST ORGANICS LIMITED****REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT"):**

(Referred to in clause (f) of paragraph 2 under 'Report on other Legal and Regulatory Requirement' section of our report of even date)

We have audited the internal financial controls over financial reporting of Everest Organics Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

BASIS FOR QUALIFIED OPINION :

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing issued by the Institute of Chartered Accountants of India and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

1. Material purchased and sent directly for job work from supplier, the company has raised Material Receipt Note (MRN) without actual receipt of goods from supplier.
2. The company has not obtained confirmations from the effected parties for which the outstanding credit balance was set off against the outstanding debit balance.
3. Based on our audit, we observed that, in few instances,
 - the company has not obtained authorisation/data for accepted and rejected quantity of material from Quality Control department.
 - The company accepted/received quantity in excess of authorised Purchase Order
 - The company purchased goods from vendors different from that of recommended vender as per Quotation comparative statement.
 - There are instances where Purchases are recognised before e-way bill date.
 - Sales are being recognised before dispatch.
 - ITC on expenses Paid through credit card are not being claimed.

OPINION :

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

**AUDITORS' REPORT**

However, the following internal financial controls are essential and desirable.

- a) The system of defining and operationalizing a standard operating procedure for Capitalization of assets and retirement of assets and /or provisioning for impairment (if any) needs to be strengthened to be commensurate with the size of the company & level of operations.
- b) The system of physical verification of fixed assets, tagging of fixed assets, and computerization of records needs to be improved to be commensurate with the size of the company & level of operations.
- c) The system of physical verification of inventories, tagging of inventories, recognition & valuation of inventories needs to be further improved to be commensurate with the size of company & level of operations.
- d) The system of obtaining periodical confirmation of balances from Debtors, Creditors, Advances, Deposits, etc. needs to be improved to be commensurate with the size of company.
- e) The system of obtaining comparative quotations from different independent parties and keeping them on record needs to be further strengthened to be commensurate with the size of the company and nature of operations of the Company.
- f) The method of customer evaluation needs to be further improved for extending credit to the customers.
- g) Sales are being made to parties previously declared as Bad debts, it should be avoided.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS :

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY :

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing issued by the Institute of Chartered Accountants of India and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures

AUDITORS' REPORT

selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING :

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING :

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

The financial statements of Everest Organics Limited have been prepared and presented in accordance with Indian Accounting Standards ("Ind As") notified under section 133 of accounting standards notified by the Central Government of India under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015, other pronouncements of the Institute of Chartered Accountants of India, the relevant provisions of Companies Act, 2013 and guidelines issued by Securities and Exchange Board of India (SEBI).

The company's Internal Financial Control (IFC) over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles, which is being implemented by the company as a continuous process exercise required for providing reasonable assurance regarding the reliability of the financial reporting.

Accounting policies not referred to herein otherwise are consistent with Generally Accepted Accounting Principles in India. The financial statements are drawn up in Indian Rupees, the functional currency of the Company, and in accordance with Ind AS presentation.

The financial statements comprise the Balance Sheet as at 31st March, 2024 and 31st March, 2023, the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flow for the year ended 31st March, 2024 and 31st March, 2023 and a summary of material accounting policies and other explanatory information (together hereinafter referred as "Financial Statements").

b. Basis of measurement

The company follows the mercantile system of accounting and recognizes incomes and expenses on accrual basis. The accounts are prepared as a going concern and on historical cost basis except for the following:

- Certain financial assets and liabilities are measured at fair value or amortised cost.
- Employee defined benefit asset/liability recognized as the total of the fair value of plan assets and actuarial losses/gains, and the present value of defined benefit obligation.

c. Functional & presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ("the functional currency"). The financial statements are presented in Indian rupee (Rs.), which is the company's functional and presentation currency.

**NOTES FORMING PART OF THE ACCOUNTS****d. Use of estimates**

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in the current and future periods and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities on the date of the financial statements and reported amounts of revenues and expenses for the year.

e. Current and non-current classification

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013, read with Indian Accounting Standards.

f. Assets

An asset is classified as current when it satisfies any of the following criteria:

- a) it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is expected to be realized within twelve (12) months after the reporting date; or
- d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve (12) months after the reporting date.

g. Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- a) it is expected to be settled in the Company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is due to be settled within twelve (12) months after the reporting date; or
- d) the Company does not have an unconditional right to defer settlement of the liability for at least twelve (12) months after the reporting date. Terms of a liability that could, at the option of the counter party, result in its settlement by the issue of equity instruments do not affect its classification.

All other assets/liabilities are classified as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Normal operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve (12) months as its operating cycle.

2.2 MATERIAL ACCOUNTING POLICIES:**A. Revenue Recognition:**

Revenue is measured at the transaction price determined under IND AS 115-Revenue from contracts with customers. Amounts disclosed as revenue are net of returns, trade allowances, rebates, Goods & Service Tax (GST) collections and amounts collected on behalf of third parties.

**NOTES FORMING PART OF THE ACCOUNTS****Revenue from Sale of Goods:**

Revenue from sale of goods is recognized when the customer obtains control of the Company's product, which occurs at a point in time, usually upon dispatch/shipment, with payment terms typically in the range of 60 to 90 days after invoicing depending on product and geographic region. Taxes collected from customers relating to product sales and remitted to government authorities are excluded from revenues. The Company does not expect to have any contracts where the period between the transfer of the promised goods to the customers and payment by the customer exceeds one year. Consequently, the company does not adjust any of the transaction prices for the time value of money.

For contracts with multiple performance obligations, the Company allocates the transaction price to each performance obligation based on the relative standalone selling price. The Standalone selling price of each performance obligation is estimated using the expected costs of satisfying such performance obligation and then an appropriate margin is added for such goods. The amount of revenue to be recognised is based on the consideration expected to be received in exchange for goods, excluding trade discounts, volume discounts, sales returns and any taxes or duties collected on behalf of the government which are levied on sales such as sales tax, value added tax, goods and services tax, etc., where applicable. Any additional amounts based on terms of agreement entered into with customers, is recognised in the period when the collectability becomes probable and a reliable measure of the same is available.

Revenue from Sale of Services:

Revenue from Sale of services is recognised as per the terms of the contracts with customers when the related services are performed, or the agreed milestones are achieved. Upfront non-refundable payments received are deferred and recognised as revenue over the expected period over which the related services are expected to be performed.

B. Interest Income:

Interest income from financial assets at fair value through profit or loss is disclosed as interest income within other income. Interest income on financial assets at amortised cost is calculated using the effective interest method (EIR) is recognised in the statement of profit and loss as part of other income. Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset except for financial assets that subsequently become credit impaired. For credit-impaired financial assets the effective interest rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

C. Provisions, Contingent liabilities and Contingent assets:

A provision is recognized when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Where no reliable estimates can be made, a disclosure is made as a contingent liability. A disclosure for contingent liability is also made when there may be a possible obligation or a present obligation, but probably will not require an outflow of resources.

Contingent assets are not recognized in financial statements. A contingent asset is disclosed where an inflow of economic benefits is probable. If it is virtually certain that an inflow of economic benefits will arise, the assets and related income are recognized in the period in which the change occurs.

**NOTES FORMING PART OF THE ACCOUNTS****D. Property, Plant and Equipment:**

Items of property, plant and equipment are carried at the historical cost of acquisition or construction or at the consideration paid less accumulated depreciation arrived at taking into Schedule II of the Companies Act, 2013. The cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates and any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Borrowing costs directly attributable to acquisition or construction of items of property, plant and equipment which necessarily take a substantial period of time to get ready for their intended use are capitalized. Borrowing costs are interest and other costs incurred by the Company in connection with the borrowing of funds.

Subsequent expenditure related to an item of property, plant and equipment is capitalized only if it enhances the future economic benefits arising from the existing assets beyond its previously assessed standards of performance.

Advances paid towards acquisition of property, plant and equipment outstanding at each balance sheet date are shown under short-term loans and advances. Cost of assets not ready for intended use, as on the balance sheet date, is shown as capital work-in-progress. Gains or losses from disposal of an item of property, plant and equipment are recognized in the statement of profit and loss.

E. Depreciation:

Depreciation on property, plant and equipment is provided as per useful lives specified in the Schedule II of the Companies Act, 2013 for the actual period of the usage of the assets on prorata basis, with Plant & Machinery considered to be coming under the category of "manufacture of pharmaceuticals and chemicals" in accordance with clauses 1 & 2 of Section 123 of the Companies Act, 2013.

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

	Useful lives estimated by the Management (years)	Useful lives as stated in the Act (years)
Factory buildings	30	30
Plant and Equipment	10-20	5-20
Solar Power Generation System	25	40
Furniture and fixtures	10	10
Vehicles	8	8
Computers	3-6	3-6

F. Research & Development Expenditure:

It is the policy of the company to transfer the Research & Development Expenditure on capital items to assets and depreciation is charged thereon accordingly at the applicable rates and Revenue expenditure on Research and development is charged off to Profit & Loss in the year in which it is incurred. The expenditure to be capitalised include the cost of materials and other costs directly attributable to preparing the asset for its intended use.

Intangible Assets having indefinite life (or) Intangible Assets under development (or) Goodwill arised by way of acquisition are tested for impairment annually, or more frequently when there is an indication that the assets may be impaired. All other intangible assets are tested for impairment when there are indications that the carrying value may not be recoverable.

**NOTES FORMING PART OF THE ACCOUNTS****G. Impairment of Assets:**

An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value (or) An asset that requires compulsory test for impairment every year. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in the prior accounting period is reversed if there has been a change in the estimate of the recoverable amount. In the opinion of the Management, during the year there is no impairment loss.

H. Inventories:

Raw materials, packing materials, stores, spares, consumables are valued at cost, after providing for obsolescence. Work-in-process is valued at cost of raw materials and proportionate overheads. Finished goods are valued at lower of the cost or market value/net realizable value. Cost includes all charges incurred in relation to the goods. The goods received on account of sales returns are valued at cost.

Net Realizable Value (NRV) is the estimated selling price in the ordinary course of the business, less the estimated costs of completion and the estimated costs necessary to make the sale. Cost of inventories comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. The cost of all categories of inventory is determined using the weighted average cost method.

I. Cash and cash equivalents, Statement of Cash Flow:Cash and cash equivalents

Cash comprises cash on hand and demand deposits. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Cash equivalents are held for the purpose of meeting short-term cash commitments rather than for investment or other purposes and are readily convertible to known amount of cash.

Statement of Cash Flow

Cash flows are inflows and outflows of cash and cash equivalents. Operating activities are the principal revenue-producing activities of the entity and other activities that are not investing or financing activities. Investing activities are the acquisition and disposal of long-term assets and other investments not included in cash equivalents. Financing activities are activities that result in changes in the size and composition of the contributed equity and borrowings of the entity.

Statement of Cash Flows are reported using indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

J. Foreign Currency Transactions:

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Transactions of monetary assets and liabilities denominated in foreign currency are translated at exchange rates in effect on the Balance Sheet date. The gains or losses resulting from such translations are included in the statement of profit and loss account. Non-monetary assets and non-monetary liabilities to be denominated in foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities to be denominated in foreign currency are

**NOTES FORMING PART OF THE ACCOUNTS**

measured at historical cost and are translated at the exchange rate prevalent at the date of transaction.

Revenue, expense, and cash flow items denominated in foreign currencies are translated using exchange rate in effect on the date of transaction. Transaction gain or loss realized upon settlements of foreign currency transactions are included in determining net profit for the period in which the transaction is settled.

K. Employee Benefits:Short-term employee benefits:

Short-term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Defined Contribution Plans:

Contributions to defined contribution retirement benefit schemes are generally recognized as an expense in the statement of profit & loss account as and when employees have rendered services entitling them to contributions.

Defined Benefit Plans:

The Company pays gratuity to the employees who have completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @15 days basic salary for every completed year of service as per the Payment of Gratuity Act, 1972. The gratuity liability amount is contributed to the approved gratuity fund formed exclusively for gratuity payment to the employees managed by Life Insurance Corporation of India (LIC).

The liability in respect of gratuity and other post-employment benefits are calculated and the said amount is spread over the period during which the benefit is expected to be derived from employees' services. The current service cost of the defined benefit plan, recognized in the statement of profit and loss under employee benefit expense, reflects the increase in the defined benefit obligation resulting from employee service in the current year, benefit changes, curtailments, and settlements. Past service costs are recognized immediately in the statement of profit and loss. Remeasurement gains and losses arising from adjustments and changes are recognized in Other Comprehensive Income in the period in which they occur.

Compensated Absences:

The Company's current policies permit its employees to accumulate and carry forward their unutilized compensated leaves and utilize them in future periods or receive cash in lieu thereof. The balance of such earned leaves in excess of 30 days can be encashed by such individual employee at the year end. The compensation against such encashment is arrived and disbursed based on the gross salary drawn by such individual employee as at the year end.

Provident Fund:

Contribution to Provident fund (a defined contribution plan) administered through Regional Provident Fund Commissioner are recognized is charged to profit and loss account in the same period, as expense.

L. Earnings per Share:

Basic earnings per share are computed by dividing the net profit after tax available to Equity

**NOTES FORMING PART OF THE ACCOUNTS**

Shareholders by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential ordinary shares.

M. Income Tax Expense:

Income tax expense comprises of current tax and Deferred Tax. Tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized in the Other Comprehensive Income. In this case, the tax is also recognized in Other Comprehensive Income.

(a) Current Tax:

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the country where the Company operates and generates taxable income.

(b) Deferred Tax:

Deferred tax expense or benefit is recognized on temporary timing differences being the difference between the carrying amounts of assets and liabilities in the financial statements and corresponding tax bases used in the computation of taxable profit, that originate in one period and is likely to reverse in one or more subsequent periods. Accordingly, the company provided for Deferred Tax on 31-03-2024.

A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary timing difference can be utilized. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying value of deferred tax assets and liabilities are reviewed at each reporting date.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(c) Indirect taxes:

In the opinion of the Board and to the best of their knowledge and belief, the Company has properly complied with the provisions of Goods and Service Tax Act, 2017, The Customs Acts, 1962 and any other indirect taxes, to the extent applicable to the Company. The difference, if any, between the figures as per books of account and the respective returns, have been reconciled and would be corrected in next periodic returns and in annual returns. The said differences, if any, do not have any material impact on standalone financial statements.

N. Segment Accounting Policy:

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker of the Company is responsible for allocating resources and assessing performance of the operating segments. The Company prepares its segment information in conformity with accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

**NOTES FORMING PART OF THE ACCOUNTS****O. FINANCIAL INSTRUMENTS:****I. FINANCIAL ASSETS:****1. Initial Recognition and Measurement:**

All Financial Assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of Financial Assets, which are not at Fair Value through Profit or Loss, are adjusted to the fair value on initial recognition. Purchase and sale of Financial Assets are recognized using trade date accounting i.e. the date that the Company commits to purchase or sell the asset.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in Other Income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

2. Subsequent Measurement:

-Financial Assets measured at Amortized Cost (AC):

A Financial Asset is measured at Amortized Cost if

- it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and
- the contractual terms of the Financial Asset give rise on specified dates to cash flows that represent solely payments of principal and interest (SPPI) on the principal amount outstanding.

-Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI):

A Financial Asset is measured at FVTOCI if

- it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and
- the contractual terms of the Financial Asset give rise on specified dates to cash flows that represents solely payments of principal and interest (SPPI) on the principal amount outstanding.

-Financial Assets measured at Fair Value Through Profit or Loss (FVTPL):

A Financial Asset which is not classified in any of the above categories are measured at FVTPL. Financial assets are reclassified subsequent to their recognition, if the Company changes its business model for managing those financial assets. Changes in business model are made and applied prospectively from the reclassification date which is the first day of immediately next reporting period following the changes in business model in accordance with principles laid down under Ind AS 109.

-Investment in Subsidiaries, Associates and Joint Ventures:

The Company accounts for its investments in Subsidiaries, associates, and joint venture at cost less impairment loss (if any). Investments in preference shares with the right of surplus assets which are in nature equity in accordance with Ind AS 32 would treated as separate category of investment and measured as at FVTOCI.

-Other Equity Investments:

**NOTES FORMING PART OF THE ACCOUNTS**

All other equity investments are measured at fair value, with value changes recognized in the Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'. However, dividend on such equity investments are recognized in Statement of Profit and Loss when the Company's right to receive payment is established.

-Impairment of Financial Assets:

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of Financial Assets other than those measured at Fair Value Through Profit and Loss (FVTPL). Expected Credit Losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For Trade Receivables the Company applies 'simplified approach' which requires expected lifetime losses to be recognized from initial recognition of the receivables.

The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date, these historical default rates are reviewed and changes in the forward-looking estimates are analyzed.

For other assets, the Company uses 12-month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is a significant increase in credit risk full lifetime ECL is used.

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

- the rights to receive cash flows from the asset have expired or
- Both (1) the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement and (2) either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

II. FINANCIAL LIABILITIES:**1. Initial Recognition and Measurement:**

All Financial Liabilities are recognized at fair value and in case of borrowings, net of directly attributable cost. Fees of recurring nature are directly recognized in the Statement of Profit and Loss as finance cost.

2. Subsequent Measurement:

Financial Liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

**NOTES FORMING PART OF THE ACCOUNTS**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same or other lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is to be recognized in the statement of profit or loss.

III. FINANCIAL RISK MANAGEMENT:

The Company's activities expose it to variety of financial risks: foreign currency risk, interest rate risk, credit risk, Commodity price risk and liquidity risk. Within the boundaries of approved Risk Management Policy framework, the Company manages volatility and minimize the adverse impact on its financial performance.

a) Foreign Currency Risk:

Foreign Currency Risk is the risk that the Fair Value or Future Cash Flows of an exposure will fluctuate because of changes in foreign currency rates. Exposures can arise on account of the various assets and liabilities which are denominated in currencies other than Indian Rupee. The fluctuation in foreign currency exchange rates may have potential impact on the statement of profit or loss, where any transaction references more than one currency or where assets / liabilities are denominated in a currency other than the functional currency of the Company. The Company is subject to foreign exchange risk primarily due to its foreign currency revenues, expenses and borrowings.

b) Interest Rate Risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of change in market interest rates. The Company is not exposed to any interest rate risk as the interest rates implicit in all the borrowings are fixed in nature.

c) Credit Risk:

Credit risk is the risk that a customer fails to perform or pay the amounts due causing financial loss to the Company. Credit risk arises from dealing in derivatives receivable from customers and other financial instruments. The Company maintains that Credit risk is actively managed through continuous follow-up with the parties and Credit information is regularly shared between businesses and finance function, with a framework in place to quickly identify, respond and recognize cases of credit deterioration.

d) Commodity Price Risk:

Commodity price risk arises due to fluctuation in prices of the major imported raw materials and other products. The company has a risk management framework headed by the managing director, aimed at prudently managing the risk arising from the volatility in commodity prices and freight costs.

e) Liquidity Risk:

Liquidity risk arises from the Company's inability to meet its cash flow commitments on the due date. The company's liquidity is managed centrally with all the departments forecasting their cash and liquidity requirements. Management monitors rolling forecasts of the Company's cash flow position to ensure that the Company is able to meet its financial obligation.

- 2) Bank Guarantees issued by the HDFC Bank Limited on behalf of the company-Rs.5.00 lakhs. (Previous year- Rs.5.00 lakhs).

viii). LITIGATIONS:**a) Closure - Revocation Orders of TSPCB:**

A closure order was issued by TSPCB to the Company on 22-12-2020, for stoppage of plant operations. The company has submitted a total compliance report on 30-04-2021 for the deviations pointed by TSPCB, consequently, the Company has received the final revocation order on 04-02-2022.

b) Application for Enhancement of Production Capacities:

TSPCB claims that as per its “operating guidelines” the factory of the company situated at Aroor(V), Sadashivpet (M), Sangareddy(D), comes under the “Pattancheru-Bollaram Area(P.B.A)” (Stated to be appearing in the list of polluting industries) and the issue is pending at various forums from Supreme Court(1989), High Court (2013), National Green Tribunal(2015) on various issues which are agitated by the Bulk Drugs Manufacturing Association of India (BDMAI) as well as by the company, which is presently in the stage of constituting the Fact - Finding Committee. Also, the company further challenged its location status in the P.B.A. Depending on the outcome of order, a liability may arise in future towards contribution for the “Pattancheru-Bollaram Environment Relief Fund (PBERF)” (@0.5% of the Annual Turnover from FY 2016-17), which is contingent in nature. As per the TSPCB guidelines, enhancement of capacities from the existing 147.50 MT P.A to the current level of operations can be considered only after the deposit of fees of 1% of the previous year's Turnover.

The management is of the view that, suitable decision can be made on payment to PBERF, based on the decisions of the honorable courts.

**NOTES FORMING PART OF THE ACCOUNTS****xii). EMPLOYEE BENEFITS:****(a) Post-employment obligations - Gratuity:(Defined benefit):**

- i. The Company provides gratuity for employees as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity benefit. The amount of gratuity payable on retirement/termination is the employees' last drawn basic salary per month computed proportionately for 15 days' salary multiplied for the number of completed years of service. The gratuity plan is a funded plan, and the Company makes contributions, to recognize funds administered by Life Insurance Corporation of India (Insurer), as per IRDA guidelines. Category-wise composition of the plan assets, actuarial assumptions and sensitivity analysis thereto is not available with the company as the same are not shared by the insurer.

The Company has planned to establish a trust to administer its obligation for payment of Gratuity to employees. However, at present the company contributes to the scheme administered by the Life Insurance Corporation of India (Insurer). Every year, the insurer carries out a funding valuation based on the latest employee data provided by the Company. Any deficit in the assets arising as a result of such a valuation is to be funded by the Company. The company considers that the contribution rate set at the last valuation date is sufficient to eliminate the deficit over the agreed period and that regular contributions, which are based on service costs, will not increase significantly. The company has not changed the process used to manage the risks from previous years.

- ii. During the year, the company has, the company has not revised the provision for the liability on account of gratuity payable which was made in earlier period based on the management's own assessment instead of actuarial valuation and the gratuity liability is shown at Rs.162.17 Lakhs as on 31.03.2024. However as per the valuation obtained from LIC the gratuity liability is coming to Rs.247.03 Lakhs as on 31.03.2024

(b) Compensated Absences obligations: (Defined benefit):

During the year 2023-24, the Company has provided compensated absences / leave encashment benefit of Rs.13.13 Lakhs (Previous year of Rs.20.70 Lakhs) total outstanding amounting to Rs.70.88 lakhs (Previous year Rs. 57.76 lakhs) in which the employee rendered the service that increases entitlement as per the policy. The liability for leave encashment benefit is calculated based on the 50% basic salary for leaves earned exceeding 30 days.

(c) Employer Contribution to Provident Fund (Defined Contribution Plan):

All the eligible employees of the Company receive benefits from a provident fund, a defined contribution plan. Both the employee and employer each make monthly contributions to a government administered fund equal to 12% of the covered employee's qualifying salary. The Company as an employer contributed Rs.68.04 Lakhs to the provident fund during the year 2023-24 (previous year of Rs.64.88 lakhs). The Company has no further obligations under the plan beyond its monthly contributions.

(d) Social Security:

The Code of Social Security 2020 ('Code') relating to employee benefits during employment and post-employment received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified and the final rules or interpretation have not yet been issued. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period in which the Code becomes effective.
